

# Little Jungle Designated Safeguarding Leads (DSLs)

The **Designated Safeguarding Lead (DSL)** is responsible for ensuring the safety and wellbeing of all children and young people involved in our school. They are the point of contact for anyone in our organisation who is concerned about a child.

The DSL is also responsible for leading on safeguarding policies and procedures, training and development related to safeguarding, receiving concerns about a child and reporting, storing and retaining child protection records, in line with our policies and procedures.

The DSL meets weekly with the Management Team to discuss safeguarding concerns and ensure that safeguarding is always a top priority. They both possess Advanced Child Safeguarding certifications.
